

IT'S EASY: Connect your Domain with your 1&1 Store

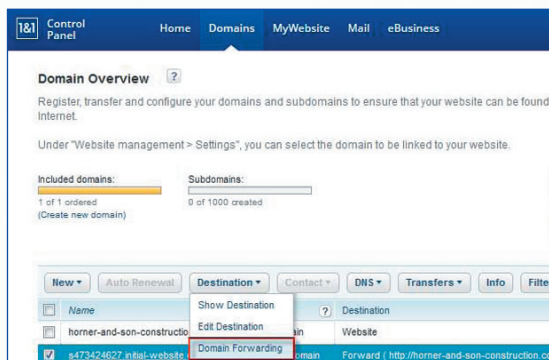

1. Go to <https://www.1and1.com/login> and log into your 1&1 Control Panel, go to Domains and click 'Manage domains' or 'Domain Center'.

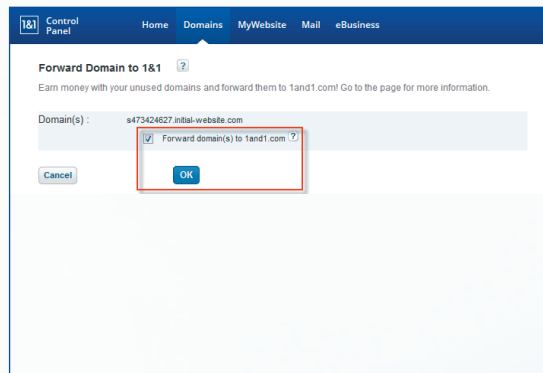

2. In the Domain Overview, select the domain that you would like to use for the Referral Program.

3. In the menu bar, click on the 'Additional Features/' 'Destination' button and select '1&1 Referral Program'/'Domain Forwarding'.

4. Now select the 'Forward domain(s) to 1and1.com' checkbox. Click OK.

5. Congratulations on setting up your 1&1 Store! Your Internet address will now be forwarded to your 1&1 Store and you will receive commissions upon completion of a sale.
